Education

Bachelor of Computer Science
Faculty of Computers and Information, Mansoura University
Expected Graduation: 2027

- Year 1 GPA: **Excellent (امتياز)**

- Currently in Year 2

Technical Skills

Programming: Python (Pandas, NumPy, Matplotlib, Seaborn), SQL (basic), Programming Fundamentals
Statistics & Probability: Descriptive statistics, distributions, probability
Data Analysis Tools: Jupyter Notebook, DataCamp Projects, Visual Reporting
Other Tools: Excel (basic), Data Visualization, Report Writing
Currently Learning: BI Concepts (Data Warehousing, ETL basics)

Soft Skills

- Analytical Thinking & Problem Solving

- Effective Communication (Reports & Presentations)

- Teamwork & Collaboration (Event and Project Experience)

- Attention to Detail

- Time Management & Self-Learning

Certifications

- **Data Analyst Career Track** – DataCamp *(Completed)*

- **Team MEGA** – Data Science Track *(50% Completed)*

- Multiple certificates from DataCamp on Python, Data Analysis, and Visualization

---

Projects

All projects include both code and professional reporting:

- **Netflix Movies Analysis** – Explored content trends and genre distributions

- **Credit Card Fraud Detection** – Identified fraudulent patterns through data insights

- **Student depression** – Analyzed students mental health

- **Stroke Prediction** – Investigated medical data for stroke risk factors

---

Experience

Volunteer – Team MEGA
Event Operations & Content Creation

- Helped organize tech events at Mansoura University

- Named "Member of the Month" in both Data Science and Event Ops teams

- Created educational and engaging content for social media

Personal Projects & Interests

- Writing educational and philosophical articles

- Passionate about making data accessible through storytelling
